

Thank you for reading

Every KR1 book ends with a door to the next one. This page is that door.

★★★★★ 4.9 of 5 on Amazon · 4.73 on DriveThruRPG · 11,000+ books sold

I kept a drawer full of unfinished games for twenty years. Five years of publishing earned me 69 sales. Then I worked out what I had been doing wrong, and the twelve months that followed brought more than 10,000. **The method fits on one page, and it is yours for free.**

The DTRPG Bestseller Blueprint

The full system behind the numbers on this page: the book, the worksheets behind every phase, and the roadmap from full drawer to published author. I am writing it the way I publish everything else, small, tested, and honest about what worked and what did not.

The waiting list costs nothing, hears everything first, and gets the launch price.
